

Make a Book Prop

Use recycled and readily available materials to create items from your favourite Guppy stories!

The Knight Sir Louis series by The Brothers McLeod

Make your own 'Dave' – Sir Louis' trusty magical sword!

- 1) Copy the template below on to a large piece of used card and cut it out.
- 2) Wrap the sword in shiny paper. Try to find paper that has previously been used, such as present wrapping paper. (Louis used shards from a magic mirror but this is not safe for you to do!)
- 3) Draw a face on your sword with a marker pen or use string to create the outline of a nose and mouth. (A mouth is very important as your sword will need one to sing!)
- 4) Add some hair – use scraps of used paper or string in a colour of your choice.
- 5) Give your sword a name. All famous swords have a name!
