**Summary:** The stunning companion to **Tsunami Girl** – a collection of interlinked ghost stories told equally in manga and prose.

Abducted by spirits from his village, lost boy Akira must make the long journey in northern Japan to find his family and save his young sister before time runs out. Voyaging deeper and deeper into a Japan 'between the worlds', Akira and his companions encounter a host of yokai monsters and famous ghosts.

**Extract:** *'But as Tokyo grew warmer, little parts of the apartment still felt cold. And I really did start to have the feeling I was never truly alone. You could hear people moving in the other apartments, of course - toilets flushing, washing machines - but sometimes on the edge of sleep the sounds seemed ... like they were in the room itself.'* (Page 66 )
